Dear <<Full Name>>,

BayMark Health Services, Inc. (“BayMark”), as the parent company of various healthcare facilities, provides administrative services to BAART Programs, Healthcare Resource Centers, and MedMark Treatment Centers (the “Facilities”). We are writing to notify you about an incident that involved some of your information related to some of the services you received from the Facilities. This letter explains the incident and the measures we have taken.

### What Happened?

On October 11, 2024, we learned of an incident that disrupted the operations of some of our IT systems. We immediately took steps to secure our systems, launched an investigation with the assistance of third-party forensic experts, and notified law enforcement. This incident did not occur at the Facilities or the IT systems managed or operated by any of the Facilities. Rather, the incident occurred only on BayMark’s system and only involved data held by Baymark, as the parent entity, on behalf of the Facilities. As such, the incident did not impact patient care or treatment at any of the Facilities. Our investigation determined that an unauthorized party accessed some of the files on BayMark’s systems between September 24, 2024 and October 14, 2024. We then initiated a review and analysis of those files.

### What Information Was Involved?

On March 20, 2025, we determined that these files contained information that varied per patient but could have included your name and one or more of the following: Social Security number, driver’s license number, date of birth, services received, dates of service, insurance information, treating provider, and treatment and/or diagnostic information.

### What We Are Doing.

We are notifying you of this incident to assure you that we take this matter very seriously. To help prevent something like this from happening again, we have implemented additional safeguards and technical security measures to further protect and monitor our systems.

We are offering you a one-year complimentary membership to Equifax Complete™ Premier. This product helps detect possible misuse of your personal information and provides you with identity protection support focused on immediate identification and resolution of identity theft. Equifax Complete™ Premier is completely free to you and enrolling in this program will not hurt your credit score. For more information, including instructions on how to activate your complimentary membership, please see the pages that follow this letter.

### What You Can Do.

We encourage you to sign up for the complimentary credit monitoring services. Additionally, it is always a good idea to remain vigilant and review statements you receive for suspicious activity. Please review the enclosed *Additional Steps You Can Take*, which contains information about what you can do to safeguard against possible misuse of your information.

We remain committed to protecting the confidentiality and security of the information in our care, and apologize for the concern this may cause. If you have questions, please call us at 855-295-0995, available Monday through Friday, 8:00 a.m. to 8:00 p.m. Central Time, except holidays.

Sincerely,

BayMark Health Services

<sup>1</sup>The credit scores provided are based on the VantageScore® 3.0 model. For three-bureau VantageScore credit scores, data from Equifax®, Experian®, and TransUnion® are used respectively. Any one-bureau VantageScore uses Equifax data. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness. <sup>2</sup>Credit monitoring from Experian and TransUnion will take several days to begin. <sup>3</sup>WebScan searches for your Social Security Number, up to 5 passport numbers, up to 6 bank account numbers, up to 6 credit/debit card numbers, up to 6 email addresses, and up to 10 medical ID numbers. WebScan searches thousands of Internet sites where consumers' personal information is suspected of being bought and sold, and regularly adds new sites to the list of those it searches. However, the Internet addresses of these suspected Internet trading sites are not published and frequently change, so there is no guarantee that we are able to locate and search every possible Internet site where consumers' personal information is at risk of being traded. <sup>4</sup>The Automatic Fraud Alert feature is made available to consumers by Equifax Information Services LLC and fulfilled on its behalf by Equifax Consumer Services LLC. <sup>5</sup>Locking your Equifax credit report will prevent access to it by certain third parties. Locking your Equifax credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax credit report include: companies like Equifax Global Consumer Solutions, which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of such pre-approved offers, visit [www.optoutprescreen.co](http://www.optoutprescreen.co) <sup>6</sup>The Identity Theft Insurance benefit is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company, under group or blanket policies issued to Equifax, Inc., or its respective affiliates for the benefit of its Members. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

## ADDITIONAL STEPS YOU CAN TAKE

We remind you it is always advisable to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll free at 1-877-322-8228. Contact information for the three nationwide credit reporting companies is as follows:

- *Equifax*, PO Box 740241, Atlanta, GA 30374, [www.equifax.com](http://www.equifax.com), 1-888-378-4329
- *Experian*, PO Box 2002, Allen, TX 75013, [www.experian.com](http://www.experian.com), 1-888-397-3742
- *TransUnion*, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com), 1-833-799-5355

If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your state. You can obtain information from these sources about steps an individual can take to avoid identity theft as well as information about fraud alerts and security freezes. You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records. Contact information for the Federal Trade Commission is as follows:

- *Federal Trade Commission*, Consumer Response Center, 600 Pennsylvania Avenue NW, Washington, DC 20580, 1-877-IDTHEFT (438-4338), [identitytheft.gov](http://identitytheft.gov)

***Fraud Alerts:*** There are two types of general fraud alerts you can place on your credit report to put your creditors on notice that you may be a victim of fraud—an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years.

To place a fraud alert on your credit reports, contact one of the nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report.

For those in the military who want to protect their credit while deployed, an Active Duty Military Fraud Alert lasts for one year and can be renewed for the length of your deployment. The credit bureaus will also take you off their marketing lists for pre-screened credit card offers for two years, unless you ask them not to.

***Credit or Security Freezes:*** You have the right to put a credit freeze, also known as a security freeze, on your credit file, free of charge, which makes it more difficult for identity thieves to open new accounts in your name. That's because most creditors need to see your credit report before they approve a new account. If they can't see your report, they may not extend the credit.

***How do I place a freeze on my credit reports?*** There is no fee to place or lift a security freeze. Unlike a fraud alert, you must separately place a security freeze on your credit file at each credit reporting company. For information and instructions to place a security freeze, contact each of the credit reporting agencies at the addresses below:

- **Experian Security Freeze**, PO Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)
- **TransUnion Security Freeze**, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com)
- **Equifax Security Freeze**, PO Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)

You'll need to supply your name, address, date of birth, Social Security number and other personal information.

After receiving your freeze request, each credit bureau will provide you with a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

*How do I lift a freeze?* A freeze remains in place until you ask the credit bureau to temporarily lift it or remove it altogether. If the request is made online or by phone, a credit bureau must lift a freeze within one hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after getting your request.

If you opt for a temporary lift because you are applying for credit or a job, and you can find out which credit bureau the business will contact for your file, you can save some time by lifting the freeze only at that particular credit bureau. Otherwise, you need to make the request with all three credit bureaus.

**A Summary of Your Rights Under the Fair Credit Reporting Act:** The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Your major rights under the FCRA are summarized below. For more information, including information about additional rights, go to [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) or write to: Consumer Financial Protection Bureau, 1700 G Street NW, Washington, DC 20552.

- You must be told if information in your file has been used against you.
- You have the right to know what is in your file.
- You have the right to ask for a credit score.
- You have the right to dispute incomplete or inaccurate information.
- Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.
- Consumer reporting agencies may not report outdated negative information.
- Access to your file is limited.
- You must give your consent for reports to be provided to employers.
- You may limit "prescreened" offers of credit and insurance you get based on information in your credit report.
- You have a right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization.
- You may seek damages from violators.
- Identity theft victims and active duty military personnel have additional rights.
